A great little Boat

Model ACE

The 1st model of RUBAN BLEU's range

The ACE has generous proportions. Its large width provides it with excellent stability and exceptional living space for its size. 5 passengers may take their places on board in all safety. Born out exchanges and groundwork with the charters, the ACE model its most attractive features are its aesthetics and comfort, as well as its simplicity of family use.

 Trailer
 Automatic battery refilling

The driver sits at the rear of the board, on a spacious bench, and the boat can accommodate two or three persons, depending on the position selected by the crew.

A spacious box is installed underneath the steering console, which provides storage for safety equipment.

A passage between the bench and the console facilitates movements on the boat.

Naturally the ACE is self-bailing.
