

SCOOP 2

*A new look
for an old Favourite*

Introducing the all-new Scoop for 2022

SCOOP 2 – the new Ruban Bleu flagship

With its comfortable cockpit and classic lines the Scoop 2 is Ruban Bleu's most popular electric boat.

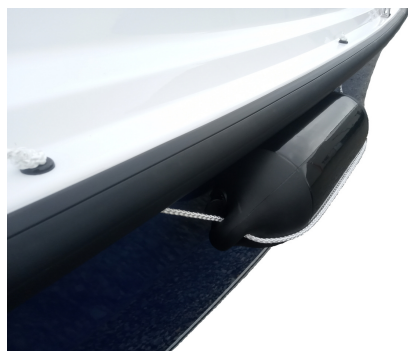

This new SCOOP model has been updated and re-imagined to create the SCOOP 2 and it is sure to be a winner.

A combination of pleasing design and pure lines makes the SCOOP 2 the ideal choice for any fluvial environment. Whatever the occasion, with family, friends or rental customers, the new Scoop guarantees unforgettable memories for everyone.

SCOOP 2

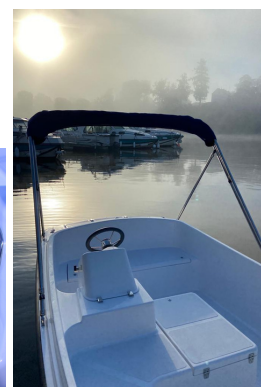

The Ruban Bleu flagship !

The efficient hull design and on-board propulsion package offer smooth and silent cruising. The cockpit layout is designed to accommodate 7 passengers in comfort with the added benefit of easy maintenance. The aft helm position gives good all-round visibility while increased freeboard ensures peace of mind for all ages.

Key features:

The aft bench seating has been modified to allow full access to the motor for ongoing maintenance via a lifting lockable hatch.
